Fort Worth, Texas (See, Exhibit 1).

2. Upon Forbes' arrival to the FMC Fort Worth facility, only two boxes of his personal property arrived. (See, Exhibit 2).
3. Forbes is missing \$2,090.00 worth of his personal property, in which he has filed all available administrative remedies to discover, locate, and have returned back to him his personal property.
4. Through willful conduct of theft, deceit, or negligence, staff at the Federal Prison Camp in Seagoville, Texas has either stolen, destroyed or negligently lost \$2,090.00 worth of Forbes' personal property. See, Ex. 1 and Ex. 2.<sup>2</sup>

**IV. EXHAUSTION OF ADMINISTRATIVE REMEDY**

1. Forbes filed his administrative Tort Claim pursuant to FTCA, and it was assigned number TRT-SCR-2021-03476 on his loss of property on August 16, 2021, and on January 24, 2022 the Regional Counsel for the BOP denied the request. Forbes requested reconsideration, (twice), and the Regional

---

<sup>2</sup> Forbes has also filed a 28 U.S.C. §2241 to this Court for the violations of his rights, and erroneous disciplinary hearing procedures and acts of staff.

Counsel for the BOP denied his request for relief.

2. Forbes has exhausted all available requests for administrative remedy. See, Exhibit 3.

**CUMALATION**

This request is straight-forward. The United States on August 16, 2021 clearly states: "Investigation into this matter reveals six boxes of your property were mailed to and received at FMC Fort Worth." (Ex. 2). However, on August 24, 2021, FMC Fort Worth staff clearly states: "An email has been sent to FCI-SEA to inquire about any additional boxes of property. You have received 2 boxes of property...". (Ex. 2).

By the staff of the United States, they have admitted that four (4) boxes of Forbes' personal property is lost, and were not received from the Federal Prison Camp in Seagoville at the receiving facility, i.e., FMC Fort Worth.

**RELIEF SOUGHT**

Mr. Forbes requests of the Honorable Court to issue an Order that the United States and/or its employees and agency shall be held liable to him for the loss of his property and reimburse Forbes \$2,090.00 within 15 days from the issuance of the Order.

Executed on this, the 16th day of March, 2022 in Fort Worth, Texas pursuant to the penalty of perjury.

Re: Administrative Claim No. TRT-SCR-2021-03476

Dear Mr. Forbes:

Your claim has been reconsidered for administrative settlement under 31 U.S.C. §3723. This statute provides for payment of claims for alleged property loss which is determined to have been "caused by the negligence of an officer or employee of the United States Government acting within the scope of employment."

You claim government liability in the amount of \$2,090.00 due to alleged loss of personal property occurring when you transferred from FCI Seagoville to FMC Fort Worth in December 2020. Investigation into this matter reveals six boxes of your property were mailed to and received at FMC Fort Worth. You did not provide any evidence to demonstrate any compensable loss of personal property caused by the wrongful or negligent act or omission of any employee of the United States acting within the scope of his or her employment. Therefore, your claim is denied.

There is no provision for judicial review of claim determinations made under 31 U.S.C. §3723. However, if you are dissatisfied with this decision, you may request reconsideration of your claim. A request for reconsideration must be submitted in writing and received in this office within three months of the date of this letter. You must include additional evidence of the alleged damage or loss to support your request for reconsideration.

Sincerely,

RE: Administrative Claim No. TRT-SCR-2021-03476

Dear Mr. Sickler:

I am requesting reconsideration of the August 16, 2021 decision to deny my Tort claim for loss of property in the amount of \$2,090.00. You mention that an investigation revealed that six boxes of my property were mailed to and received at FMC Fort Worth. (Exhibit 1).

However, on February 24, 2021 at 1300, the staff at FMC Fort Worth "only delivered to me two boxes of my personal property". (Exhibit 2).

A prison guard has the authority and the ability to directly and significantly influence inmates' lives and the entire facilities safety with the decisions he or she makes. United States v. Guzman, 383 F. Appx. 493, 494 (5th Cir. 2010).

Here, the staff failed to follow BOP Program Statement 5800.18, Section 401 - that inmates personal property shall be inventoried and a BP-A383 form shall be completed, and signed off by the BOP staff member. Therefore, if you say six boxes of my personal property was inventoried and mailed from Seagoville to Fort Worth, then why did I only receive two boxes?

Under Section 403, of Program Statement 5800.13, it clearly states: a log book is kept at R&D to document incoming personal property. As Exhibit 2 clearly shows, on November 30, 2020 at 11:10 am., a Seagoville staff member completed an inventory of my personal property. Also, Ex. 2, shows where on December 2, 2020 another Seagoville staff member completed an inventory of my personal property at 6:30 am. Both times I was not present. However, on February 24, 2021, the same officer at FMC Fort Worth and I inventoried my two boxes of property (which was all I received), and we both signed off on my receiving the property. Where are the other four boxes of property? See, Guzman, at 494.

Under Section 403, the FMC Fort Worth staff followed the incoming property - "When the property is issued and verification of contents is made, the inmate signs the bottom of the record to acknowledge receipt". See, Exhibit 3. Where are the other four boxes? Program Statement clearly states, if the

inmate refuses to sign, the inventory officer and an additional staff member witness, sign, and date the form, indicating the inmate's refusal". (Ex. 3 at § 403).

Further, upon my checking the log book in R&D, only two boxes were received, inventoried, and delivered to me on February 24, 2021. Where are the other four boxes? Guzman, at 494.

Further, under Section 404, R&D is required to have a stored property area, where all inmates personal property shall be stored. When I got to R&D, my two boxes were inside a cage where all inmates utilize, and I was told to start going through my property (two boxes), and the officer and I checked off what was received. I signed the two forms (Ex. 2) and took my property and left R&D.

Under Section 406, all outgoing property shall be logged in the outgoing property shipping book. (Ex. 3, § 406). Each box must be logged into the outgoing property shipped. Therefore, if six boxes were shipped, six boxes should have been received. Still yet, only two boxes were received and \$2,090.00 worth of my property is missing. Guzman, at 494. (Exhibit 4).

When transferring to a prison medical facility, my personal property must arrive at the medical facility within 72 hours. PS 5800.18, Section 408.

I was first told that my property from FPC Seagoville was sent to FPC El Reno, and it apparently stayed there for two months. So, between FPC Seagoville, FPC El Reno and FMC Fort Worth, four of my boxes and \$2,090.00 of my property is missing. Guzman, at 494.

Further, as USP Atlanta is currently experiencing, four senior officers and one wage supervisor have been barred from the USP in Atlanta, and not allowed under any circumstances for being not on the "up and up", - they were "dirty officers and staff", bringing in contraband and theft of property. See, Atlanta Journal-Constitution, Atlanta federal pen nearly vacant amid corruption investigation (Aug. '20). Again, what happened to my four other boxes of personal property? "Corruption by prison staff has had dire effects...;" such as the theft of my four boxes. See, Guzman, at 494. See, also United States v. McCowan, 464 Fed Appx 213, 214-217 (5th Cir. 2010); United States v. Castillo-Chairez, 423 Fed. Appx. 361, 362 (5th Cir. 2011). Since, prison official/staff had my personal property, and now four boxes and \$2,090.00 worth of my personal property is lost, stolen, or conspired to let an inmate take/steal my property. Id. See, also United States v. Zamora, 982 F.3d 1080, 1084 (7th Cir. 2020).

Under Ali v. Federal Bureau of Prisons, 552 U.S. 214, 218, 227-28 (2008) (holding a Bureau of Prisons guard is a "law

enforcement officer" under the Federal Tort Claims Act.)

Therefore, the prison officers/guards theft of my four boxes of property is governed by the Federal Tort Claims Act, and under your immediate authority. A request is hereto made to investigate and determine which corrupt guard(s) stole my \$2,090.00 worth of personal property, and I am hereto requesting full reimbursement.

Re: Administrative Claim No. TRT-SCR-2021-03476

Dear Mr. Forbes:

Your claim has been investigated and considered for administrative settlement under 31 U.S.C. §3723. This statute provides for payment of claims for alleged property loss which is determined to have been "caused by the negligence of an officer or employee of the United States Government acting within the scope of employment."

You claim government liability in the amount of \$2,090.00 due to alleged loss of personal property occurring when you transferred from FCI Seagoville to FMC Fort Worth in December 2020. Investigation into this matter reveals six boxes of your property were mailed to and received at FMC Fort Worth.

Based on the foregoing, there is no indication you have sustained any compensable loss of personal property caused by the wrongful or negligent act or omission of any employee of the United States acting within the scope of his or her employment. Therefore, your claim is denied.

There is no provision for judicial review of claim determinations made under 31 U.S.C. §3723. However, if you are dissatisfied with this decision, you may request reconsideration of your claim.
